THE ALBANY
... you promised yourself

At The Albany...

We believe the decision to undergo any cosmetic procedure is personal and private.

With this in mind our aim at the Albany is to provide you with the complete choice of the latest treatments enabling you to select the procedure that is right for you.

We are a small, highly trained team comprising a Consultant Cosmetic Plastic Surgeon working in conjunction with Specialist Cosmetic Nurses. Together, the team can meet your every need; ranging from immediate skin and wrinkle treatments through to full cosmetic surgery.

The Albany provides treatments and consultations from a Medical Suite in a Hospital near you, combining the convenience of a local site with the confidentiality of a private clinic.
