

Inflite (Southend) Limited

REPAIR AND OVERHAUL ENGINEERS

Inflite (Southend) Limited has vacancies for engineers in our Component Repair Workshops. Experience in mechanical and electrical repair is essential, with a good theoretical knowledge of engineering principles. Aviation related training will be provided as required by the aviation industry.

A competitive salary package is available to successful applicants. Please e-mail your CV to:
geraldine.smart@inflight-southend.co.uk

or write to:
